We are happy to inform all the Students and Faculty members of NRI Medical College & General Hospital, that we are bringing the **"NRI ACADEMIC DIARY 2017"** depicting the Academic Activities of Pre Clinical, Para Clinical, Clinical & Superspeciality Departments of the Institution.

As you are aware that the image and quality of any Medical College depends on the learned Faculty members, their involvement in the research and Academic Activities, in addition to the Infrastructure, Equipment and Investigative Facilities of the College & Hospital.

As you go through the pages of the booklet, you can notice the excellent efforts put forth by each Department. The Senior Faculty Members, inculcating in the minds of Junior Doctors, the value of Hard Work, and with utmost dedication to their duties and with their innovative ideas, stimulating them to publish their work. They encourage them to participate in CMEs and Conferences, which gives them an opportunity to interact with senior members of their respective branches, to share their vast experience.

We wish to congratulate and appreciate all the Faculty members and request them to continue their commitment with the same spirit to get more laurels to their Department and the Institution, to project our NRI Medical College & General Hospital as one of the best Medical Institutions in our State and our Country.

We sincerely acknowledge the encouragement of the Management for their relentless efforts to improve the Institution and for their unstinted support to the Academic Activity.
